

Want to know a **better**
and more **cost efficient**
way to care for
hard to place individuals...?

SecureCare Options - Specialized Care at a Better Cost *for hard to place individuals.*

Working in collaboration with the State Departments of Mental Health and Addiction Services (DMHAS), Correction (DOC) and Social Services (DSS), SecureCare serves individuals who meet nursing home levels of care, transitioning from an inpatient level of care at DMHAS or from infirmaries at the DOC.

- Providing nursing facility care exclusively for physically, medically and cognitively infirm people whose conditions require SNF levels of care.
- Contracted and referred by State Departments of Mental Health and Addiction, and Correction.
- Medicaid and Medicare offset funding.
